

# 2010 “Top 10” HAPLR Library

Avon Lake Public Library is proud to be chosen once again as a Hennen “Top 10” public library for 2010. The HAPLR Index – Hennen’s American Public Library Ratings – has rated public libraries for the past ten years based on staffing, materials expenditure, book volumes, hours of operation, annual visits, reference queries, per capita expenditure, etc. Just under 8,000 U.S. libraries are divided up by the size of their service population. Avon Lake Public Library is included in the category serving 10,000 – 24,999, the largest category, which includes 1,562 public libraries. Overall, in this category, we once again rank #8! We are very proud of our accomplishment. This could never have been possible without the support of our patrons. Thank you for aiding us in our quest to become a “Top 10” HAPLR library.
