### Sailing

I see a ship a-sailing, sailing, sailing.  
I see a ship a-sailing, sailing out to sea.  
The captain at the railing, railing, railing,  
The captain at the railing waves his hand to me.

I see a ship a-rolling, rolling, rolling.  
I see a ship a-rolling, rolling home from sea.  
I hear its bell a-tolling, tolling, tolling,  
I hear its bell a-tolling, coming back to me.

## Sink or Float Activity

Gather items from around the house and yard with your little one to see if they sink or float. Fill up the bathtub, baby pool or a large plastic bin with water. Before dropping items in, ask your child if he thinks they will sink or float? You can also keep track of your experiment using a simple check list.

*Suggested items:* rock, marble, Lego, cork, empty bottle, card board, tin foil, Barbie dolls, hot wheels, chalk.

### Tin Foil Boats

Using pieces of tin foil, help your little one design a floating boat.
