How Do You Feed A Dragon

How do you feed a dragon
Who is tall, tall, tall?

When you're just a little kid
Who is small, small, small.

If you could stand on tiptoes
Even though you are little,
The dragon could bend down
And meet you in the middle!

Swing Your Dragon Tail

Turn around once
And swing your dragon tail.

Turn around twice
And flap your wings like sails.

Turn around three times,
Stomp your feet and roar.

Jump up high,
Then sit down on the floor.

Build your own castle out of items that you can find around the house. Try paper cups, boxes of varying sizes (shoe, cereal, cracker...) or even your dining room table. Cover the table with bed sheets to create a castle underneath. Let your knights, princesses, or dragons read or color in their castle!

Be interactive! Discuss what's happening in the book, point out things on the page, and ask questions. Don't expect toddlers to sit still. Act out stories or sing them. Build scenes out of blocks. Move around as you read.
