I Have A Little Heart

I have a little heart
And it goes thump, thump, thump.
(pat hand over heart)
It keeps on beating
When I jump, jump, jump.
(jump in place)
I get a special feeling
When I look at you.
(point to someone)
It makes me want to give you
A kiss or two!
(blow a kiss)

Beaded Hearts

Practice fine motor skills with your child by stringing beads onto a pipe cleaner. When your child is done, bend the pipe cleaner into a heart shape and add a ribbon to hang it. They look great hanging across the mantel or in a window!

Pointing out print everywhere. When you're out driving, draw your child's attention to written words: the names of businesses, road signs, the makes/models of different cars, and even the snack you have in the car!
