

Color Scavenger Hunt

Our summer reading theme is "Reading Colors Your World",
so we have filled the library's windows with color!

Take a stroll around the building (inside or outside)
and see if you can find the following.

Find:

<p>How many red window squares?</p> 	<p>How many green window squares?</p> 
<p>How many orange window squares?</p> 	<p>How many blue window squares?</p> 
<p>How many purple window squares?</p> 	<p>How many crayons are in the windows?</p>  <p>What colors are the crayons?</p>

Find all the answers?

Go to Curbside or the Holds Window for your reward!
(one prize per person per month - while supplies last)
