

DISCOVERYWORKS AMBASSADOR VOLUNTEER PROGRAM

We are thrilled to have your interest in becoming a DiscoveryWorks Ambassador. This program presents a wonderful opportunity to enhance the visitor experience, engage with guests at DiscoveryWorks, and share the story of the Avon Lake Public Library and DiscoveryWorks through our exhibits, kits, and programs. Volunteers are essential in supporting our mission by cultivating a deeper appreciation for STEM learning.

AMBASSADOR VOLUNTEER RESPONSIBILITIES

Exhibits - DiscoveryWorks Ambassadors play a crucial role in guiding our young explorers as they discover the world around them. You'll encourage visitors to unleash their creativity and tap into their inner scientist, engineer, builder, and artist at various exhibits throughout DiscoveryWorks. Your support will involve assisting guests with hands-on exhibits, explaining how to engage with them, and sharing the science behind the activities.

Greeter - As a DiscoveryWorks Ambassador, you will warmly welcome visitors as they arrive. You will also familiarize them with exploration expectations and guidelines, serving as the first positive face they encounter at DiscoveryWorks. Your enthusiasm will help create an inviting atmosphere for all.

VOLUNTEER REQUIREMENTS:

AGE:

- DiscoveryWorks Ambassadors must be a minimum of 14 years old.
